MEMORANDUM FOR: Director of Central Intelligence

b. [REDACTED]

1. Paragraph 3 of this memorandum submits a recommendation for your approval.

2. In accordance with the provisions of reference a. (copy attached) there are presented herewith the proposed annual representation allowance authorizations for Fiscal Year 1977. A summary of all allowances requested is attached as Tab B. The individual station requirements of each area division are listed as Tab C.

3. It is recommended that the proposed schedules of maximum representation allowances (Tab C) in the total amount of [REDACTED] be approved for Fiscal Year 1977. This figure represents a significant decrease as compared to last year. This is due to across the board adjustments and the closure of [REDACTED] Station in LA Division and to the closure of [REDACTED] Station and a drastic reduction of activity in [REDACTED]. This total reduction was partially offset by the increase in AF Division, which is attributed to the opening of new stations at [REDACTED]. Requests from EUR, NE and SA, and SE Divisions are the same as in FY 1976, although there have been adjustments between stations.
